

## Ingredient

# EZClear® - Natural Histamine Blocker

EZClear® is a Proprietary and Patented blend of bioactive quail egg proteins designed for use as a functional ingredient in natural health formulations. Backed by peer-reviewed clinical evidence, EZClear® delivers fast-acting, natural relief from allergic rhinitis symptoms.

Fast, Natural Relief for Allergy Symptoms. Offered in Powder Form.

## Key Highlights

### Clinical Validation

A randomized, double-blind, placebo-controlled study (Published: Food Science & Nutrition, 2014) confirmed that a single dose of EZClear® significantly improved nasal airflow and reduced allergy-related symptoms within 10-15 minutes of ingestion. Furthermore, numerous other studies have demonstrated that the use of quail egg composition has proven effective for fast allergic nasal relief.

### Key Data Points

- 43 subjects, aged 18–60.
- Statistically significant improvement in PNIF (P=0.01).
- 27–32% better nasal airflow vs placebo.
- Significant reductions in nasal obstruction, rhinorrhea, and itchy eyes (P<0.01).
- No adverse effects or drowsiness.

### Formulation Advantages

- Fast impact (10-15 minutes) and lasting up to two hours, approved for multiple doses per day.
- Natural and non-drowsy.
- Clinically supported human studies.
- Compatible with capsules, chewable, or powder blends.
- Excellent Safety Profile, No Serious Adverse Effects Reported.
- Year around efficacy for adults/children.
- May reduce dependence on medications.
- Outstanding Review by Vitamin Retailer – Gene Bruno/The Vitamin Professor.

### Shelf Life

- 36 Months from Manufacture Date.

### Country of Origin

- France/Belgium
