Menopause Support Blend

This advanced menopause support formula was extensively researched and developed by HSM and combines clinically studied botanicals, antioxidants, and targeted nutrients to promote balance during hormonal transitions. Featuring KSM-66® Ashwagandha, Curcumin C3 Complex®, Venetron®, S-equol®, and Omega™, along with Ubiquinol®, Vitamin C, and magnesium bisglycinate. It supports mood, cellular energy, and overall wellness to help women feel steady, supported, and resilient. Vegan

Key Highlights

How Menopause Blend Supports You

- Formulated with branded ingredients including KSM-66® Ashwagandha, Curcumin C3 Complex®, Venetron®, and S-equol® to help support mood, emotional balance, and overall comfort during hormonal transitions.
- Includes S-equol® fermented black bean, designed specifically to support women navigating menopause and promote balanced estrogen activity.
- Includes Omega™, which supports vaginal dryness, skin health and lipid balance.
- Features Ubiquinol® along with Vitamin C and Curcumin to help combat oxidative stress and support healthy cellular energy production.
- Includes BioPerine® for optimized nutrient absorption, specifically curcumin, and magnesium bisglycinate for gentle, highly bioavailable mineral support.
