**Stomach Pro+<sup>®</sup>**

The Science of LJ88<sup>®</sup>

Inside every stick pack of Stomach Pro+<sup>®</sup> is LJ88<sup>®</sup> (*Lactobacillus johnsonii* #1088) — a unique postbiotic strain originally discovered in the human stomach. It's built to survive your body's toughest environment, acidic gastric conditions to help restore comfort, balance, and protection where digestion begins. Available in Single Dose Stick Pack Form.

**Key Highlights**

**How Stomach Pro+<sup>®</sup> Supports You**

- Balances Stomach Acid Naturally — Helps calm excess gastric acid for relief from heartburn and reflux.
- Fights Harmful Bacteria — Inhibits *Helicobacter pylori*, supporting a healthier stomach environment.
- Strengthens Digestive Balance — Encourages beneficial intestinal gut bacteria (Bifidobacteria) for improved conditions.
- Clinically Researched Results — Backed by 15+ years of research and human clinical studies.
- LJ88<sup>®</sup> pairing – To further enhance the health impact of Stomach Pro+<sup>®</sup> LJ88<sup>®</sup> is blended with Morinaga's highly proven BB536 probiotic.

**Safe-Stable-Proven**

- LJ88<sup>®</sup> Heat-Killed for Stability — No refrigeration required, retains biological activity.
- LJ88<sup>®</sup> Safe for Everyone — Including sensitive or immunocompromised users.
- LJ88<sup>®</sup> Globally Trusted — Used in Asia, Europe, and the U.S. since 2016 with no adverse effects reported.

**Patents**

- LJ88<sup>®</sup> is Patented in Japan, Korea, and USA.
- Morinaga BB536 is Patented in Japan, China, and USA.

**Shelf Life**

3-Year Shelf Life from Manufacture Date.

**Applications/Delivery Format**

Bulk Stick Pack available for private label opportunities.

**Country of Origin**

Japan

**Ethically and Sustainably produced**

**Available for White Label**

Supplement Facts			
Serving Size 1 Stick (1200 mg)			
Servings per Container 30
