Combination D3, K2, and Calcium Capsules

This vegan supplement supertrio is uniquely formulated with Vitamin D3, Vitamin K2, and Calcium synergistically working together to support strong bones, healthy teeth, and a resilient immune system. Calcium is needed by the skeletal system to build and support a strong foundation for bone structure; Vitamin D3 is needed to support the immune system as well as facilitate the absorption of calcium into the bone structure; and Vitamin K2 is a necessary component of assisting in the redirection of calcium from the circulatory system to the skeletal system. In summary, the perfect vegan solution for improving calcium location and bone strength.

Every ingredient meets a clean-label standard, delivering complete, conscious nutrition in one capsule. Whether you're vegan based by choice or simply looking for a cleaner way to support your health, this formulation was made for you.

Key Highlights

Contains trademarked ingredients Vitashine® and Algalithe®

- **Vitamin D3 - Vitashine®**, globally recognized as the most natural, tested and proven Vegan Vitamin D3 in the world.
- **Vitamin K2** – Vegan source. Helps facilitate calcium absorption in the bones.
- **Calcium** – **Algalithe®**, is derived from Lithothamnion calcareum, a red algae sustainably harvested from the pristine Norwegian waters, packed with calcium, magnesium, and 51 trace minerals. Its high calcium bioavailability supports the development and maintenance of strong, healthy bones.
